

Stephanie Daniel

Stephanie enjoys supporting and working with clients in their businesses.

She manages Your Hidden Potential course enrolments, and all invoicing and payments. She is the person to contact about these matters, as well as dates and times of our events, and accommodation arrangements. She owns and operates Central Coast Business Services, specialising in supporting small business for all their administration and bookkeeping needs.. Stephanie has a strong background in business finance, project management and information technologies in both the corporate world and small business.
